

Looking to Adopt a Kitten?

Orphan Kitten Club is a 501(c)3 nonprofit organization located in San Diego. We specialize in rescuing and hand-raising vulnerable newborn kittens, and helping them to become robust, mighty cats!

In our 24-hour nurseries, we provide nutritious food, expert medical care, and a supportive and enriching environment for kittens 0-8 weeks old. From the day they open their eyes, our babies know nothing but love and support from a team of experienced neonatal caregivers. Once our kittens are healthy, well-socialized, and at least 8 weeks of age, they are spayed or neutered, microchipped, vaccinated, and placed for adoption in the Southern California area. When you adopt from OKC, you know you are always getting the pick of the litter!
